## **DISPUTES; MEDIATION**

a. To the extent that Chapter 2260 of the Texas Government Code, as it may be amended from time to time ("Chapter 2260"), is applicable to this Contract and is not preempted by other applicable law, the dispute resolution process provided for in Chapter 2260 shall be used, as further described herein, by HCC and Contractor to attempt to resolve any claim for breach of contract made by Contractor:

(1) Contractor's claims for breach of this Contract that the parties cannot resolve pursuant to other provisions of this Contract or in the ordinary course of business shall be submitted to the negotiation process provided in subchapter B of Chapter 2260. To initiate the process, Contractor shall submit written notice, as required by subchapter B of Chapter 2260, to HCC in accordance with the notice provisions in this Contract. Contractor's notice shall specifically state that the provisions of subchapter B of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the specific contract provision that HCC allegedly breached, the amount of damages Contractor seeks, and the method used to calculate the damages. Compliance by Contractor with subchapter B of Chapter 2260 is a required prerequisite to Contractor's filing of a contested case proceeding under subchapter C of Chapter 2260. The HCC Office of General Counsel, or such other officer of HCC as may be designated from time to time by HCC by written notice thereof to Contractor, shall examine Contractor's claim and any counterclaim and negotiate with Contractor in an effort to resolve such claims.

(2) If the parties are unable to resolve their disputes under subparagraph (1) of this section, the contested case process provided in subchapter C of Chapter 2260 is Contractor's sole and

exclusive process for seeking a remedy for any and all of Contractor's claims for breach of this Contract by HCC.

(3) Compliance with the contested case process provided in subchapter C of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under Chapter 107 of the Texas Civil Practices and Remedies Code. The parties hereto specifically agree that (i) neither the execution of this Contract by HCC nor any other conduct, action or inaction of any representative of HCC relating to this Contract constitutes or is intended to constitute a waiver of HCC's or the state's sovereign immunity to suit and (ii) HCC has not waived its right to seek redress in the courts.

b. The submission, processing and resolution of Contractor's claim is governed by the published rules adopted by the Texas Attorney General pursuant to Chapter 2260, as currently effective, hereafter enacted or subsequently amended.

c. Neither the occurrence of an event giving rise to a breach of contract claim nor the pendency of a claim constitute grounds for the suspension of performance by Contractor, in whole or in part. HCC and Contractor agree that any periods set forth in this Contract for notice and cure of defaults are not waived, delayed, or suspended by Chapter 2260 or this section.

d. It is agreed that such process is not invoked if HCC initiates the dispute by first bringing a claim against Contractor. If HCC makes a claim against Contractor and Contractor then makes a counterclaim against HCC as a claim under Chapter 2260 and in compliance therewith, the HCC's original claim against Contractor does not become a counterclaim and is not subject to the mandatory counterclaim provisions of Chapter 2260 of the Texas Government Code.

HCC has adopted a Small Business Development Program for small businesses attempting to provide goods and/or services as prime contractors or as subcontractors to other prime contractors to HCC. The program is designed to prevent discrimination in contracting and to ensure that small, underutilized, and disadvantaged businesses are informed and prepared to compete for HCC procurements. HCC will neither discriminate nor select vendors on the basis of race, color, national origin, religion, gender, age, or disability in its procurement selection process. The subcontracting goal applies to all vendors regardless of their status.

If not otherwise defined in this Exhibit C, any capitalized terms used herein shall have the same meaning as set forth in the Contract with an effective date of \_\_\_\_\_ ("Contract").

#### **Small Business Compliance**

The Contractor hereby agrees to attain small business participation in the amount of 35% of the total Contract amount. The Contractor agrees to enter into agreements for the Services and with the mutually agreed upon Milestones established in Exhibit A. To ensure compliance with any stated small business participation goal, the Contractor shall be required to provide reports as may be required by the Contract and meet with the HCC Representative at the 50% and 75% completion phases/dates of the Project, to verify small business participation activity and to ensure compliance with the stated small business goal. Additionally, the Contractor agrees to enter into subcontractor agreements for the Services that are identified on the form entitled Contractor and Subcontractor/Supplier Participation. The Contractor's failure to comply with the aforementioned small business participation requirements may result in:

- Withholding of payment until such compliance is achieved or a waiver of the provisions is provided by HCC; and/or.
- Revocation of any benefits and incentives under the program or suspension or termination of the Contract in whole or in part.

#### **Prime Contractor/Contracts for Services**

The Contractor must perform a minimum of 30% of any contract for services with its labor force and or demonstrate management of the Contract for services to the satisfaction of HCC.

#### **Internship Program**

The Contractor is encouraged to make a commitment to utilize certain HCC student(s) in an internship capacity for the provision of Services under the Contract. The Contractor shall be expected to pay the student(s) at least the minimum wage required by law. HCC shall provide the Contractor with the name(s) of student(s) eligible to participate in the internship program.
